HL Powersports requires all service and repairs to be accompanied by this form and be sent to "**HL Powersports 19 Lakeside Dr. Harveys Lake, PA 18618**". All units to be repaired should include the motor assembly and power cord when possible.

It is the responsibility of the customer to ship and pay freight to HL Powersports, the authorized Powerhouse service center. HL Powersports is not responsible for shipping damage accrued in return shipment, we do suggest choosing the option for shipping insurance. Please ensure to properly pack unit with appropriately sized box, packing peanuts/bubble wrap etc.

Please be sure to fill out the entire form above and an appropriate contact number.
